SUBJECT: REQUEST FOR URANIUM TETRA-CHLORIDE

SYMBOL: AM:SB

ATTENTION: Mr. N. Woodruff

The Frankford Arsenal, Philadelphia, Pennsylvania has under date of October 28, 1954, requested that we arrange for the shipment of approximately one kilogram of normal uranium tetra-chloride, preferably anhydrous to Mr. C. C. Fawcett, S. F. Accountability Officer, station FAR, Pitman-Dunn Laboratories, Frankford Arsenal, Philadelphia 37, Pa.

This material will be used in experimental research. It is expected that all material will be salvaged and returned to your control at the conclusion of the work.

We therefore, request that you authorize the issuance of this material to the accountability station noted above.
