DECLARATION OF RESTRICTIVE COVENANT
WASTEWATER NEUTRALIZATION AREA SOLID WASTE MANAGEMENT UNIT

THIS DECLARATION OF RESTRICTIVE COVENANT (hereinafter "Declaration") is made this 16th day of September, 2015, by the Pinellas County Industrial Development Authority, a Special District created pursuant to Part III, Chapter 159, Florida Statutes, d/b/a PINELLAS COUNTY ECONOMIC DEVELOPMENT AUTHORITY, (hereinafter "GRANTOR") and the Florida Department of Environmental Protection (hereinafter "FDEP").

RECITALS

A. GRANTOR is the fee simple owner of that certain real property situated in the County of Pinellas, State of Florida, more particularly described in Exhibit A attached hereto and made a part hereof (hereinafter the "Restricted Property").

B. The FDEP Facility Identification Number for the Restricted Property is FL6 890 090 008 (PIN18). The facility name at the time of this Declaration is U.S. Department of Energy ("DOE") Wastewater Neutralization Area ("WWNA") Solid Waste Management Unit ("SWMU") and it currently operates as the Young - Rainey STAR Center Industrial Wastewater Neutralization Facility ("IWNF") which is a Pinellas County permitted discharge facility (Permit Number IE-3002-09/12). This Declaration addresses a discharge that was reported to the USEPA on April 7, 1993.

C. The discharge of chlorinated solvents and metals on the Restricted Property/WWNA SWMU is documented in the following reports that are incorporated by reference.

   1. Long-Term Surveillance and Maintenance Plan for the Pinellas Site, November 2012, submitted by the U.S. DOE.

4. Wastewater Neutralization Area/Building 200 Area Corrective Measures Implementation Plan Addendum, submitted by the U.S. DOE.

D. The reports noted in Recital C set forth the nature and extent of the contamination that is located on the Restricted Property. These reports confirm that contaminated soil and groundwater as defined by Chapter 62-780 Florida Administrative Code (F.A.C.), exist on the Restricted Property. Also these reports document that the groundwater contamination does not extend beyond the Restricted Property boundaries and that the groundwater contamination does not exceed ½-acre, and that that the groundwater contamination is not migrating.

E. The intent of the restrictions in this Declaration is to reduce or eliminate the risk of exposure to users or occupants of the Restricted Property and to the environment of the contaminants, and to reduce or eliminate the threat of migration of the contaminants.

F. The FDEP has agreed to issue a Site Rehabilitation Completion Order with Conditions (hereinafter "Order") upon recordation of this Declaration and achievement of site rehabilitation in accordance with Chapter 62-780. The FDEP can unilaterally revoke the Order if the conditions of this Declaration or of the Order are not met. Additionally, if concentrations of chemicals of concern increase above the levels approved in the Order, or if a subsequent discharge occurs at the Restricted Property, the FDEP may require site rehabilitation to reduce concentrations of contamination to the levels allowed by the applicable FDEP rules. The Order relating to FDEP Facility No. FL6 890 090 008 (PIN18) can be found by contacting the appropriate FDEP district office or bureau.

G. GRANTOR deems it desirable and in the best interest of all present and future owners of the Restricted Property that an Order be obtained for the WWNA SWMU and that the Restricted Property be held subject to certain restrictions, all of which are more particularly hereinafter set forth.

NOW, THEREFORE, to induce the FDEP to issue the Order and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each of the undersigned parties, GRANTOR agrees as follows:
1. The foregoing recitals are true and correct and are incorporated herein by reference.

2. GRANTOR hereby imposes on the Restricted Property the following restrictions:

a. i. There shall be no use of or access to the groundwater under the Restricted Property unless pre-approved in writing by FDEP’s Division of Waste Management (“DWM”) in addition to any authorizations required by the Division of Water Resource Management (“DWRM”) and the Water Management District (“WMD”).

a.ii. For any dewatering activities on the Restricted Property a plan approved by FDEP’s DWM must be in place to address and ensure the appropriate handling, treatment and disposal of any extracted groundwater that may be contaminated.

a.iii. There shall be no construction of new stormwater swales, stormwater detention or retention facilities or ditches on the Restricted Property without prior written approval from FDEP’s DWM in addition to any authorizations required by DWRM and the WMD.

b. Excavation and construction is not prohibited on the Restricted Property provided any contaminated soils that are excavated are removed and properly disposed of pursuant to Chapter 62-780, F.A.C. and any other applicable local, state, and federal requirements. Nothing herein shall limit any other legal requirements regarding construction methods and precautions that must be taken to minimize risk of exposure while conducting work in contaminated areas. Nothing in this Declaration shall prevent, limit or restrict any excavation or construction at or below the surface outside the boundary of the Restricted Property.

c. The following uses are prohibited in the WWNA SWMU as shown in Exhibit A: agricultural use of the land including forestry, fishing and mining; hotels or lodging; recreational uses including amusement parks, parks, camps, museums, zoos, or gardens; residential uses; and educational uses such as elementary or secondary schools, or day care services. These prohibited uses are specifically defined by using the North American Industry Classification System, United States, 2007 (NAICS), Executive Office of the President, Office of Management and Budget. The prohibited uses by code are: Sector 11 Agriculture, Forestry, Fishing and Hunting; Subsector 212 Mining (except Oil and Gas); Code 512132 Drive-In Motion Picture Theaters; Code 51912 Libraries and Archives; Code 53111 Lessors of Residential Buildings and Dwellings; Subsector 6111 Elementary and Secondary Schools; Subsector 623 Nursing and Residential Care Facilities; Subsector 624 Social Assistance; Subsector 711 Performing Arts, Spectator Sports and Related

3. In the remaining paragraphs, all references to “GRANTOR” and “FDEP” shall also mean and refer to their respective successors and assigns.

4. For the purpose of monitoring the restrictions contained herein, FDEP is hereby granted a right of entry upon and access to the Restricted Property at reasonable times and with reasonable notice to the GRANTOR. Access to the Property is granted by an adjacent public right of way via Bryan Dairy Road.

5. It is the intention of GRANTOR that this Declaration shall touch and concern the Restricted Property, run with the land and with the title to the Restricted Property, and shall apply to and be binding upon and inure to the benefit of GRANTOR and FDEP, and to any and all parties hereafter having any right, title or interest in the Restricted Property or any part thereof. The FDEP may enforce the terms and conditions of this Declaration by injunctive relief and other appropriate available legal remedies. Any forbearance on behalf of the FDEP to exercise its right in the event of the failure of the GRANTOR to comply with the provisions of this Declaration shall not be deemed or construed to be a waiver of the FDEP’s rights hereunder. This Declaration shall continue in perpetuity, unless otherwise modified in writing by GRANTOR and the FDEP as provided in paragraph 7 hereof. These restrictions may also be enforced in a court of competent jurisdiction by U.S. DOE and/or any other party that establishes proper standing. If the GRANTOR does not or will not be able to comply with any or all of the provisions of this Declaration, the GRANTOR shall notify FDEP in writing within three (3) calendar days. Additionally, GRANTOR shall notify FDEP thirty (30) days prior to any conveyance or sale, granting or transferring the Restricted Property or portion thereof, to any heirs, successors, assigns or grantees, including, without limitation, the conveyance of any security interest in said Restricted Property.

6. In order to ensure the perpetual nature of these restrictions, GRANTOR shall reference these restrictions in any subsequent lease or deed of conveyance within the Restricted Property, including the recording book and page of record of this Declaration. Furthermore, prior to the entry into a landlord-tenant relationship with respect to the Restricted Property, the GRANTOR agrees to notify in writing all proposed tenants of the Restricted Property of the existence and contents of this Declaration of Restrictive Covenant.

7. This Declaration is binding until a release of covenant is executed by the FDEP Secretary (or designee) and is recorded in the public records of the county in which the land is located. To receive prior approval from the FDEP to remove any requirement herein, cleanup target levels established pursuant to Florida Statutes
and FDEP rules must have been achieved. This Declaration may be modified in writing only. Any subsequent amendments must be executed by both GRANTOR and the FDEP and be recorded by the real property owner as an amendment hereto.

8. If any provision of this Declaration is held to be invalid by any court of competent jurisdiction, the invalidity of that provision shall not affect the validity of any other provisions of the Declaration. All such other provisions shall continue unimpaired in full force and effect.

9. GRANTOR covenants and represents that on the date of execution of this Declaration that GRANTOR is seized of the Restricted Property in fee simple and has good right to create, establish, and impose this restrictive covenant on the use of the Property. GRANTOR also covenants and warrants that the Restricted Property is free and clear of any and all liens, mortgages, or encumbrances that could impair GRANTOR'S rights to impose the restrictive covenant described in this Declaration or that is superior to the restrictive covenant described in this Declaration.
