RE: RFLMA Contact Record 2010-01

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed RFLMA Contact Record 2010-01, which proposes additional sampling at the Original Landfill in anticipation of eventual reductions in monitoring and maintenance schedules. Aspects of this sampling will be proposed for approval in a subsequent sampling and analysis plan. All the elements required by the Rocky Flats Legacy Management Agreement for a project of this type are adequately addressed and the contact record is therefore approved.

Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng  
RFLMA Project Coordinator
