

ST. CHARLES COUNTY**NOTICE OF PUBLIC AVAILABILITY**

**THE UNITED STATES DEPARTMENT OF ENERGY
ANNOUNCES THE AVAILABILITY OF THE
ADMINISTRATIVE RECORD FOR
QUARRY RESIDUALS AT THE WELDON SPRING QUARRY**

The U.S. DOE announces the availability for public review of files comprising the Administrative Record for the selection of the remedial action at the Weldon Spring Quarry, Weldon Spring, Missouri. DOE seeks to inform the public of the availability of the Administrative Record and encourages the public to comment on documents as they are placed in the Administrative Record.

The Administrative Record includes documents which form the basis for the selection of a remedial action at this site. Documents now in the record files include RI Sampling Plan, Environmental Monitoring Plan, RI/FS Work Plan and the Community Relations Plan. Other documents will be added to the record files as site work progresses. These additional documents may include, but are not limited to, the RI/FS Report, other technical reports and additional validated sampling data. Comments and new data submitted by interested persons, and DOE responses to significant comments will also be included in the Administrative Record.

The Administrative Record is available for review during normal business hours 8:00 a.m. to 4:30 p.m. at the Weldon Spring Site public reading room:

**Weldon Spring Site Remedial Action Project
7295 Highway 94 South
St. Charles, Missouri
314-441-8086**

Written comments on the Administrative Record should be sent to:

**Community Relations/
Administrative Records Coordinator
