RE: A9,P2 Precertification Real-Time Scan

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Project Specific Plan (PSP) for the precertification real-time scan of Area 9, Phase 2 (A9,P2).

The A9,P2 PSP appears adequate for precertification activities. Therefore, U.S. EPA approves the A9,P2 PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
