RE: Final IEMP Revision 2

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses To Comments (RTC) on the Integrated Environmental Monitoring Plan (IEMP), revision 2 and the final IEMP, revision 2.

U.S. DOE has adequately addressed U.S. EPA's previous comments and incorporated them into the IEMP, revision 2. Therefore, U.S. EPA approves the final IEMP, revision 2.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
