RE: A2,P1 Perimeter Area  
IRDP RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the Integrated Remedial Design (IRDP) package for the Area 2, Phase I (A2,P1) non-waste units perimeter area.

This RTC adequately addresses U.S. EPA's previous comments and provides acceptable milestone dates and the sequencing of activities.

Therefore, U.S. EPA approves the RTC for the A2,P1 perimeter area IRDP. U.S. DOE must submit a final IRDP document incorporating the RTC within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
