SUBJECT: EXTENSION REQUEST APPROVAL

Dear Mr. Reising:

Your letter to this office dated May 1, 2002, requested a 45-day extension for submittal of the Annual Update to the U.S. DOE-FEMP's RCRA Part A/B Application. The extension is necessary to address the inclusion of additional relevant information that has been the subject of recent discussions between U.S. DOE-FEMP and Ohio EPA. This request is approved. The Annual Update will now be due July 15, 2002.

Please contact me should you have any questions in this matter.

Sincerely,

Phillip C. Harris
Division of Hazardous Waste Management
