**This is a preliminary notification that your 2002 Annual Discharge Fee (ADF), authorized by Ohio Revised Code (ORC) 3745-11, will be due on January 31, 2003.**

The annual discharge fee for the calendar year 2002 is based upon the average volume of wastewater discharged by your facility during the previous year (2001) between May 1 and October 31. Pursuant to ORC 3745-11, the fee schedule is presented below. In order to ensure correct invoices are sent out later this year, and to provide you with adequate time to plan for this expense, the flow and fee due for your facility are listed.

Please review this information carefully. If the flow information is incorrect, you must provide a written explanation and include copies of your original EPA 4500 Forms (Monthly Operating Report) for May through October 2001 showing the signatures at the bottom of the forms. Pursuant to ORC 3745-11(5)(a)(ii), if you are entitled to a pro-rated fee, provide a written explanation, referencing your permit number. This information must be mailed to the following address by October 1, 2002.
