RE: A8, P3-North RTC and  
Revised PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) revised Area 8, Phase 3 (A8, P3)-North precertification Real-Time scan Project Specific Plan (PSP) and Responses to Comment (RTC).

The RTC has adequately addressed U.S. EPA's previous comment and incorporated the response into the revised document. Therefore, U.S. EPA approves the A8, P3-North precertification PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
