RE: IEMP Mid-Year 2002 Data  
Summary Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Integrated Environmental Monitoring Plan (IEMP) mid-year data summary report for 2002.

The document appears technically adequate, and U.S. EPA has no comments on the document. Therefore, U.S. EPA approves the IEMP mid-year data summary report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric  
Remedial Project Manager  
Federal Facilities Section  
SFD Remedial Response Branch #2
