RE: IEMP Revision 3A

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) and change pages to the Integrated Environmental Monitoring Plan (IEMP) Revision 3A.

The RTC have adequately addressed U.S. EPA's previous comments and the changes have been incorporated into the document. Therefore, U.S. EPA approves the IEMP, Revision 3A.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
