**RE: CONDITIONAL APPROVAL TO REROUTE HAUL RD IN WPRAP**

Dear Mr. Reising:

This letter provides Ohio Environmental Protection Agency conditional approval to amend the Final Waste Pits Remedial Action Project Excavation Plan to Re-Route the Haul Road. The conditions of our approval are reporting the occupational air monitoring data current being measured at the perimeter of the Project. Specifics of the reporting can be worked out during the weekly conference calls but electronic transfers are acceptable.

Should you have any questions, please contact Bill Lohner or me.

Sincerely,

*For*
