REPLY TO THE ATTENTION OF SRE-6J

RE: A6 SP-7/OU 1 Stockpile
Revised Pre-design
PSP/RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) and revised Project Specific Plan (PSP) for predesign sampling in the Area 6 SP-7 Operable Unit (OU) 1 stockpile area.

U.S. DOE has adequately addressed U.S. EPA's previous comments and incorporated them into the document. Therefore, U.S. EPA approves the PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
