RE: SCQ Document Change  
Request 2 RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) September 19, 2003, Responses to Comments (RTC) and Document Change Requests (DCR) incorporation into the Sitewide Comprehensive Environmental Response, Compensation, and Liability Act Quality Assurance Project Plan (SCQ), previously finalized on July 28, 1998.

U.S. DOE has adequately addressed U.S. EPA's previous comments and incorporated them into the change pages. Therefore, U.S. EPA approves the revised SCQ.

U.S. DOE must submit a revised SCQ within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
