

**DOE PUBLIC WORKSHOP TO DISCUSS THE REMEDIATION OF SILO 3 AT
THE FERNALD ENVIRONMENTAL MANAGEMENT PROJECT
JULY 1, 1997**

Evaluation Survey

Thank you for attending the workshop to discuss the path forward for the remediation of Silo 3 at the Fernald Environmental Management Project. Please take a few minutes to answer the questions below:

1. How did you hear about this public workshop?

Received a postcard in the mail

Phone call

Newspaper Ad

Other (please indicate)

2. Did you understand the purpose of the meeting tonight?

YES

3. Were the presentation(s) about the alternatives being considered for the remediation of Silo 3 understandable? Please specify issues in which you would like more clarification.

Very understandable. I'd like to see more quantitative uncertainty analysis.

4. After tonight's meeting, do you feel you have a better understanding of the proposed path forward for the remediation of Silo 3? Do you have any questions or concerns at this stage of the process? If so, please specify.

Nothing to add to those concerns brought up in workshop.

5. How satisfied were you with responses to questions asked this evening?

Very satisfied.

6. Do you have any other constructive comment/criticism about tonight's meeting?

Excellent presentations. Highly credible technical speakers and effective communicators. I hope to see you recommend cementation because of certainty of success and perceived by NV as most benign.
