Evaluation

*Thank you for attending the Cleanup Progress Briefing.
Your feedback is very important to us. Please take a minute to complete this short evaluation.*

1. Did the new meeting format (i.e., overview of each cleanup project) meet your expectations?

Yes. Having parallel segments of each OU was helpful for organizing info (ie Regulatory Milestones, 90 Day Look Ahead)

2. Please rate the level of detail during the project summaries:

too little detail _____
about right ✓
too much detail _____

3. What did you like about the new format?

Introduced DOE + FOF leads, but only one person presented material

4. Do you suggest any changes or improvements for future Cleanup Progress Briefings?

Shorter since you'll only have to brief us on the past months activities

5. In general, were you satisfied with the responses to your questions?

Yes

6. Did you think the length of the briefings was:

Cleanup Progress Briefing

Fernald Environmental Management Project

September 9, 1997

Evaluation

Thank you for attending the Cleanup Progress Briefing.

Your feedback is very important to us. Please take a minute to complete this short evaluation.

1. Did the new meeting format (i.e., overview of each cleanup project) meet your expectations?

I like the idea of only having one meeting per month, but we need to shorten the presentations and make them more interactive!

2. Please rate the level of detail during the project summaries:

too little detail _____

about right ✓

too much detail _____

3. What did you like about the new format?

The computer program looked great!

4. Do you suggest any changes or improvements for future Cleanup Progress Briefings?

Give everyone the info we used for this month's slides in their handouts. Have each project manager talk from pictures like Nile Hickey did. Let stakeholders ask questions after each segment.

5. In general, were you satisfied with the responses to your questions?

N/A

6. Did you think the length of the briefings was:

too long ✓

about right _____

too short _____

7. Are there any additional questions, comments or concerns you would like addressed?

Liked the room set-up. The visual aids for this meeting were the best I've ever seen.

Cleanup Progress Briefing

Fernald Environmental Management Project

September 9, 1997

Evaluation

Thank you for attending the Cleanup Progress Briefing.
Your feedback is very important to us. Please take a minute to complete this short evaluation.

- Did the new meeting format (i.e., overview of each cleanup project) meet your expectations?
Yes it did. But more time needed to be devoted for questions after each operable unit presentation. And yes, the topic of the monthly idea is a good one, despite weather restrictions.
- Please rate the level of detail during the project summaries:
too little detail _____
about right _____
too much detail _____
- What did you like about the new format?
It was clear, concise and focused on key upcoming points on each operable unit, both past and future.
- Do you suggest any changes or improvements for future Cleanup Progress Briefings?
A 5 to 10 minute question and answer session after each operable unit summary. Also, less acronyms in the presentations.
- In general, were you satisfied with the responses to your questions?
Very much so.
- Did you think the length of the briefings was:
too long _____
about right _____
too short _____
- Are there any additional questions, comments or concerns you would like addressed?

If you did not receive a post card invitation to tonight's meeting, then you may not be on Fernald's Community Mailing List to receive cleanup news, meeting invitations and document review notices. If you would like to be on the mailing list, please complete the information on the following side.

Evaluation

Thank you for attending the Cleanup Progress Briefing.

Your feedback is very important to us. Please take a minute to complete this short evaluation.

1. Did the new meeting format (i.e., overview of each cleanup project) meet your expectations?
Pretty much - I like it so far.
2. Please rate the level of detail during the project summaries:
 too little detail _____
 about right _____
 too much detail _____
3. What did you like about the new format? *- Like toolbox so far*
- Full picture of progress is nice
- FDF + DOE together - plus they all get to hear each other's presentations & get big picture view themselves
- Like to ask questions of all kinds of topics in one evening
4. Do you suggest any changes or improvements for future Cleanup Progress Briefings?
- Explain acronyms 1st time they're used on overheads
- Caption & date photos if possible
- Include next milestone even if after the 90 day window on overheads
- Some presenters need to talk a bit slower, especially when speaking "DOE'ese"
5. In general, were you satisfied with the responses to your questions?
Yes *- Would like to ask brief or clarifying questions of each presenter as he/she finishes (or during the presentation)*
6. Did you think the length of the briefings was:
