Recycling Methodology/Plant 4 Case Study Public Workshop Evaluation

November 7, 1996, 7 p.m. to 9 p.m., Alpha Building, Classroom B

1. Did the exercise tonight help you to better understand the Recycling Methodology evaluation process?

Some

2. Do you feel prepared to complete a similar exercise on the Plant 4 Case Study?

No

3. Has the level of public involvement/information on this topic been

too little _____
adequate _____
too much _____

4. Was the information discussed tonight

clear and easy to follow _____
too detailed and technical _____

Thank you for your participation!

Recycling Methodology/Plant 4 Case Study Public Workshop Evaluation

November 7, 1996, 7 p.m. to 9 p.m., Alpha Building, Classroom B

I liked this format & rolling up our sleeves to work, but I'm not sure I trust this weighting system to come up with good decisions.

1. Did the exercise tonight help you to better understand the Recycling Methodology evaluation process?

Also, I've got lots of questions.

2. Do you feel prepared to complete a similar exercise on the Plant 4 Case Study?

3. Has the level of public involvement/information on this topic been

too little _____
adequate _____
too much _____

4. Was the information discussed tonight

clear and easy to follow _____
too detailed and technical _____

Thank you for your participation!

Vicky Dastilluna ||

Recycling Methodology/Plant 4 Case Study Public Workshop Evaluation

November 7, 1996, 7 p.m. to 9 p.m., Alpha Building, Classroom B

1. Did the exercise tonight help you to better understand the Recycling Methodology evaluation process?

Some

2. Do you feel prepared to complete a similar exercise on the Plant 4 Case Study?

No - But will try to!

3. Has the level of public involvement/information on this topic been

too little _____
adequate _____
too much _____

4. Was the information discussed tonight

clear and easy to follow _____
too detailed and technical _____

_____ *middle of the road*

Thank you for your participation!

Recycling Methodology/Plant 4 Case Study Public Workshop Evaluation

November 7, 1996, 7 p.m. to 9 p.m., Alpha Building, Classroom B

1. Did the exercise tonight help you to better understand the Recycling Methodology evaluation process? - *lead me in the right direction*
