RE: Department of Energy – Fernald Cost Recovery Grant for State Fiscal Year (SFY) 2008

Dear Ms. Freeman:

The Ohio Environmental Protection Agency's Division of Emergency and Remedial Response (DERR) and Federal Facility Oversight (FFO) wishes to submit the administrative paperwork for funding for the oversight and monitoring at the Fernald site. The amount of funding requested for the 12 months of SFY 2008 is \$211,076. We will negotiate subsequent funding years as the time approaches with a total funding of \$915,000 over the next five years. Funding will ensure that Ohio EPA is reimbursed in a timely fashion for their oversight of the Fernald site.

We look forward to working with the Department of Energy.

Sincerely,

Chris Korleski
Director
