

The following documents are in the NEPA files (97-015) on the Building 779 Project:

1. Memo (PRB-003-97) from Paul Bengel, RMRS, to Distribution dated 1/7/97 distributing copies of the 779 Cluster DOP for internal review and comment.
2. Memo (SMN-006-97) dated 1/17/97 from Steve Nesta, K-H NEPA (X6386) to Mark Hickman, RMRS Engineering, transmitting NEPA comments on 779 Cluster DOP.
3. Proposed "NEPA values" section (section 9.4) prepared by the NEPA group for inclusion in the 779 DOP.
4. Copy of a letter (97RF01145) (WPH-054-97) dated 2/28/97 from W. P. Harroun of K-H Business Management and Integration to Mary Regan of RFFO concerning completion of certain milestones and enclosing a copy of a 2/28/97 letter (97RF01126) (MDB-121-97) from Marvin Brailsford, K-H Safeguards, Security, Site operations and Integration, to Steve Shieswohl, RFFO and attachments.
5. Memo (CLG-064-97) from C. L. Guthrie, RMRS (X7419) to Steve Nesta dated 4/8/97 submitting an Environmental Checklist for the 779 Cluster Decommissioning project.
6. Memo (SMN-094-97) dated 4/17/97 from Steve Nesta to Mark Hickman transmitting electronic and hard copies of a revised (from #3 above) version of section 9.4 (Environmental Issues) of the 779 Cluster DOP.
7. Memo (SMN-095-97) dated 5/5/97 from Steve Nesta to Distribution distributing the 779 Cluster DOP for review and comment by the Compliance and Performance Assurance Department (now Environmental Compliance and Operations).
8. Memo (MEH-005-97) dated 4/28/97 from Mark Hickman (X7145) to Distribution transmitting a copy of the April, 1997 version of the 779 Cluster DOP for review and comment together with the DOP.
9. The September, 1997 version of the 779 Cluster DOP with a request dated 9/26/97, apparently from Mark Hickman, for review and comment.
10. Memo (SMN-187-97) from Steve Nesta to Distribution dated 10/1/97 distributing the September 1997 779 Cluster DOP for review and comment by the Compliance and Performance Assurance Department.
11. Note from Cris Dayton of K-H Compliance and Performance Assurance to Steve Nesta saying that a review of the September 1997 DOP for her specialty area was being conducted by Dave Shelton and Melinda Kassen.
12. Memo (CAP-114-97) from Carol Patnoe of K-H Air Quality Management to Steve Nesta dated 10/8/97 describing AQM comments on September 1997 779 Cluster DOP.
