Gentlemen:

Enclosed is the Final Operable Unit (OU) 2, 903 Pad, Mound and East Trenches RCRA Facilities Investigation/Remedial Investigation Report for your review and approval. Previous regulatory comments have been included in the document to the maximum extent possible. Submittal of this document meets the requirements established in Table 6 of the Interagency Agreement as modified and extended.

The Department of Energy appreciates the efforts by the Colorado Department of Public Health and Environment and Environmental Protection Agency in expediting this review and approval. If you have comments or would like to discuss the document, please call Dave George at 966-5669.

Sincerely,

Steven W. Slaten
