Enclosed is a copy of the "Draft Site-Specific Health and Safety Plan for the Source Removal at Trench 1, IHSS 108" for review and comment. The Health and Safety Plan (HASP) presents the requirements and guidelines for conducting work during the Trench 1 Source Removal Project. In doing so, all comments are due to RMRS in writing on the attached Review Comments Sheet by the close of business on March 10, 1998.

If you have any questions or concerns, please contact me at (303) 966-5891.
