## TRANSMITTAL OF THE DRAFT RESPONSIVENESS SUMMARY FOR THE INDUSTRIAL AREA INTERIM MEASURE/INTERIM REMEDIAL ACTION /DECISION DOCUMENT - MSB-047-94

On Friday, October 28, 1994, five copies of the above referenced document were hand delivered to your office. This letter constitutes formal transmittal of this document and is in support of the November 2, 1994 Interagency Agreement milestone associated with this project.

This Responsiveness Summary (RS) includes responses to comments received prior to October 14, 1994, during the formal public comment period for the Industrial Area Interim Measure/Interim Remedial Action/Decision Document. As you know, the public comment period ended October 27, 1994, but due to the aggressive schedule, comments received after October 14, cannot be addressed in the Draft RS. These subsequent comments will be addressed in the Final RS to be submitted on November 23, 1994. Responses to these comments will be developed jointly with the agencies during a scheduled November 4, 1994 meeting.

The contents of this RS should be consistent with responses that you have already reviewed and approved. If you have additional comments, please submit them by November 3, 1994, and appropriate revisions will be made.

Thanks for your continued support on this project. If you have any questions please contact me at extension 8519.
