Dear Gentlemen:

This letter documents submittal of the Draft Final Sampling and Analysis Plan (SAP) for the Decontamination and Decommissioning (D&D) Groundwater Monitoring of Buildings 881, 991, and 559 for your records. Kaiser-Hill Company, L.L.C. submitted copies of the SAP to your respective staffs last week. The plan was submitted in support of the D&D monitoring requirements in the Integrated Monitoring Plan. The Department of Energy (DOE) requests review of the SAP by May 24, 2001. If there are no additional comments, DOE requests approval from your agencies in writing.

If there are any technical questions regarding the SAP, please contact Norma I. Castaneda at (303) 966-4226 or contact me at (303) 966-5918.

Sincerely,

Joseph A. Legare
