RE: Reconnaissance Level Characterization Report (RLCR) for Buildings 372 and 372A -
Concurrence

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the RLCR for Buildings 372 and 372A Closure Project, Revision 0 dated July 15, 2003. Based on the information contained in this RLCR we are hereby concurring with the determination that Buildings 372 and 372A are Type 1 Facilities.

In addition, since these facilities are still being used, a minimal investigation may need to be performed to confirm that contamination of these facilities has not occurred prior to initiating demolition activities. This final investigation should be coordinated with us utilizing the consultative process.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
