**Subject:** Request approval for IHSS 143 NFAA

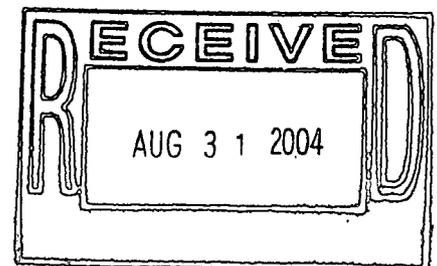

Steve Gunderson:

The U.S. Department of Energy Rocky Flats Project Office is requesting approval from your staff at the Colorado Department of Public Health and Environment, on IHSS 143, NFAA Justification for 771 Outfall (PAC reference number 700-143). Comments have been addressed and will be incorporated in the final text.

This e-mail will serve as the Administrative Record documentation for IHSS 143.

Thank you,

Norma Castaneda
