RE: Pre-Demolition Survey Report (PDSR) for Building 903B - Approval

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the PDSR for Building 903B, Revision 0 dated September 2, 2004. This PDSR was received on September 10, 2004. Based on the information contained in this PDSR, and modifications to this PDSR provided by Duane Parsons with KH on 9/16/04, we are hereby approving the PDSR as modified for Building 903B.

As stated in this PDSR, although an RLCR was not completed or provided for our concurrence, we previously provided concurrence with the Type 2 determination for B903B as contained in a Contact Record dated 6/30/04.

We also agreed that demolition of B903B may proceed as discussed in a Contact Record dated 9/16/04.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
