TRANSMITTAL OF THE TRAILER 130B - RECONNAISSANCE LEVEL
CHARACTERIZATION (RLCR) - DWF-020-05

Provided for your review and approval is the enclosed subject report for Trailer 130B. This report characterizes the physical, chemical and radiological hazards associated with this facility, summarizes the characterization activities, defines the Data Quality Objectives developed for this characterization, and presents the data quality assessment, verification and validation of results.

Based upon this RLCR and subject to concurrence by the CDPHE, Trailer 130B is considered to be a RFCA Type 1 facility pursuant to the RFETS Decommissioning Program Plan (DPP; K-H, 1999), met all Pre-Demolition Survey Plan unrestricted release criteria, and is acceptable for demolition.

Please notify Kaiser-Hill when you transmit this document to CDPHE. If you have any questions, do not hesitate to call me or Duane Parsons at extension 6458.

RE: Reconnaissance Level Characterization Report (RLCR) for Trailer 130B – Concurrence

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has received your letter, dated March 10, 2005, and reviewed the RLCR for Trailer 130B, Revision 0 dated March 1, 2005. Based on the information contained in the RLCR, we hereby concur with the determination that T130B is a Type 1 Facility.

However, it is our understanding that Trailer 130B will continue to be utilized and occupied. As such, a minimal confirmatory investigation should be performed after it is vacated prior to demolition. The results of this confirmatory investigation should be provided to us prior to demolition. This, and any other issues that may be raised, should be resolved utilizing the consultative process.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
