RE: Acceptance, Closure Summary Report for Closure of RCRA Container Storage Unit 18.04

Dear Mr. Rampe and Mr. Nesta:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (the "Division") previously received the subject report dated August 20, 2003. The Division, in a letter dated March 28, 2003, granted conditional approval of the Closure Description Document (CDD) for the unit as submitted on February 4, 2003.

After reviewing the report, the Division has determined that the condition of approval was met through spray application of a water/detergent mix to secondary containment pans and rollers, and then by inspection, met the clean debris standard. We therefore accept the Closure Summary Report for Unit 18.04.

If you have any questions concerning this correspondence, please contact me at 303-692-3367 or Harlen Ainscough at (303) 692-3337.

Sincerely,  
*David A. Kruchek*
