Mr Joseph Tempel, President
Rocky Flats Cleanup Commission
1738 Wynkoop, Suite 302
Denver, CO 80202

Dear Joe

I would like to thank you and other members of the Rocky Flats Cleanup Commission for attending the briefing yesterday on the 881 Hillside Interim Remedial Action. It is our hope that continuing discussions will be of benefit to our cleanup efforts, to your understanding of our work, and most importantly to the public and the environment.

Per your telephone conversation today with Jack Kersh, I have enclosed six copies of the Health and Safety Plan for the 881 Hillside Interim Remedial Action. We are also preparing a more comprehensive response to the questions and concerns raised by commission members at yesterday's briefing. Please let me know if I can be of further assistance in the meantime.

Very truly yours
