ATTN OF ERD PMP 13637SUBJECT NEPA Determination for Characterization Activities in Operable ~~Units~~ **1 2 5 & 6**

TO Autar Rampertaap Chief Rocky Flats Branch EM-453 HQ

**000018844**

This information is provided in response to your memo of November 9 1992 regarding a NEPA determination for operable unit (OU) characterization activities that occurred in floodplains or wetlands. Our records show that a categorical exclusion (RFO/CX025 91) for characterization activities in OUs 1 2 5 and 6 within wetlands or floodplains was approved by the Rocky Flats Office Manager October 20 1992 and that a copy of that determination was sent to you. If there are further concerns about this matter please contact Tricia Powell at (303) 966-3260.
