Dear John,

Enclosed are five copies of our report entitled, "Review of Chemical Analysis laboratories for the Rocky Flats Plant Environmental Restoration Program--Laboratory 881." This report takes into account corrections received from several sources on the April 17 draft submitted to you. This report completes the requirements for Task 1 under Purchase Order No. 2CR9-0690W-1 (Argonne National Laboratory Proposal P-89036 to Los Alamos National Laboratory).

Other reports covering activities under subsequent tasks are in preparation.

If you need additional copies of this report or if we may be of service in any way, please do not hesitate to call me at (312)972-7772.

Best regards,

Mitchell D. Erickson
