Environmental Protection Agency Comments on the Draft Interim Measure/Interim Remedial Action and Draft Phase II RCRA Facility Investigation/Remedial Investigation Operable Unit No 4, Solar Evaporation Ponds

Steve R. Keith  
Program Director, Solar Pond Project  
EG&G Rocky Flats, Inc.

Please find attached comments from the Environmental Protection Agency on the Draft Interim Measure/Interim Remedial Action Decision Document and the Draft Phase II RCRA Facility Investigation/Remedial Investigation Work Plan for Operable Unit 4 (OU4). These comments have been previously transmitted informally to your staff to expedite the review/response process.

Also included in this transmittal is a letter from the Colorado Department of Public Health and Environment advising the Department of Energy (DOE) to proceed with the revision of future Interagency Agreement deliverables without the incorporation of comments delivered to DOE in an untimely manner.

If you have any questions please contact me at extension 7846.

Frazer R. Lockhart  
Director, Environmental Restoration  
Major System Acquisition
