TRANSMITTAL OF REVISED DOCUMENTS FOR SITE CHARACTERIZATION WORK AT  
OUs 3, 4, 7 AND 9 - JEE-0070-92

Various documents (Environmental Checklist, proposed Categorical Exclusion, Floodplain Assessment, draft *Federal Register* Notice of an Action in a Floodplain and a draft Statement of Findings) have been sent to you recently regarding Site Characterization Field Work for OUs 3, 4 and 9. The Remediation Programs Division has now decided to also undertake site characterization field work in OU 7 in 1992-3. Consequently, we have revised the documents to include the OU 7 work. The additional work is very similar to the work being performed at OUs 3, 4 and 9.

Transmitted herewith are a revised Floodplain Assessment, draft *Federal Register* Notice, and draft Statement of Findings. A revised Environmental Checklist and proposed Categorical Exclusion will be transmitted to you by the Ecology and NEPA Division upon completion of review by the NEPA Compliance Committee.

If you have any questions or need additional information, please contact Steve Nesta at 273-6076 or Kathy London at 273-6189.
