CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Mr. Joe Schieffelin
Hazardous Waste Facilities Unit Leader
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, Colorado 80222-1530

Dear Mr. Schieffelin:

The Colorado Department of Public Health and Environment (CDPHE) indicated in their letter of November 9, 1994, that regulations would be violated by the actions proposed in the Department of Energy's (DOE) Operable Unit No. 10 Proposed Action Memorandum, Building 443 Tank Removal. The DOE requested in writing on November 18, 1994, that CDPHE provide a list of regulations that would be violated. To date we have not received any list of regulations. The DOE requests that CDPHE provide a section and/or part numbers with a direct quotation of the language from those citations that would potentially be violated by the proposal actions.

As stated previously, it is DOE's intent to meet all legal requirements and comply with all applicable laws and regulations. Please expedite the identification of laws and regulations that may potentially be violated by the proposed actions.

If you have any questions, please contact me at 966-4839.

Sincerely,

Steven W. Slaten
IAG Project Coordinator
Environmental Restoration
