SUBMITTAL OF DRAFT ENVIRONMENTAL EVALUATION WORK PLAN - WEST SPRAY FIELD

Attached for your review and comment is the Draft Environmental Evaluation Work Plan - West Spray Field. This document describes in detail the methodology that will be followed in assessing environmental damage at the West Spray Field (O U 11). This detailed work plan will replace the generic environmental evaluation work plan that was submitted to the Environmental Protection Agency and the Colorado Department of Health as part of the Remedial Investigation Work Plan.

Please submit any written comments on this work plan by September 25, 1990
