RE: RFLMA Contact Record 2008-08

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed RFLMA Contact Record 2008-08, which documents actions regarding upgrades proposed for the Solar Ponds Plume Treatment System. The actions and approaches described in this contact record comply with the Rocky Flats Legacy Management Agreement and are consistent with previous consultations with CDPHE. The submitted project drawings sufficiently describe the details and relationships of the project elements. This contact record and the accompanying project drawings are therefore approved.

Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng
RFLMA Project Coordinator
