RE: RFLMA Contact Record 2009-02

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed RFLMA Contact Record 2009-02, which allows replacement of gas pipeline valve equipment within a utility easement in the Central Operable Unit. This proposal is consistent with previous consultations with CDPHE and all the elements required by the Rocky Flats Legacy Management Agreement for a project of this type are adequately addressed. The contact record is therefore approved.

Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng
RFLMA Project Coordinator
