Proposed Modification to Monitoring Locations at the Rocky Flats Site Available for Public Review and Comment

The U.S. Department of Energy (DOE), the U.S. Environmental Protection Agency (EPA) and the Colorado Department of Public Health and Environment (CDPHE) have released a proposed modification to the Rocky Flats Legacy Management Agreement (RFLMA) for public review and comment.

The proposed modification addresses eliminating certain monitoring points and establishing new monitoring points as discussed in depth in RFLMA contact record 2010-04. This proposed modification is subject to final approval by the EPA and CDPHE.

The RFLMA parties will conduct an informational public meeting beginning at 6:30 p.m. on Tuesday, Aug. 10, 2010, in the Broomfield Senior Center Lakeview room, 280 Lamar St., Broomfield, CO.

The proposed modification and RFLMA CR 2010-04 are posted for review on the Community Involvement page of the Rocky Flats Site website at http://www.LM.doe.gov/Rocky_Flats/Sites.aspx?view=5.

The public review period ends on Friday, August 27, 2010. Written comments regarding the proposed modification must be sent on or before the end of the public review period to the following addresses for consideration by the RFLMA parties in determining what, if any, changes will be made for final approval of the modification by EPA and CDPHE.
