RE: Release of Proposed Plan for Amendment of Corrective Action
Decision/Record of Decision (CAD/ROD)

Dear Mr. Surovchak, Mr. Spreng, Ms. Moritz:

On June 3, 2011, the Rocky Flats Legacy Management Agreement (RFLMA) Parties, which consists of the U.S. Department of Energy (DOE), the Colorado Department of Public Health and Environment (CDPHE) and the U.S. Environmental Protection Agency (EPA), released the Proposed Plan for amending the September 29, 2006 CAD/ROD for a 30-day public review and comment period. This has since been modified to a 60-day public review period.

The City of Thornton (Thornton) concurs with the City and County of Broomfield's request that the public comment and review period be extended to 90-days in order to have sufficient time to evaluate the changes to the CAD/ROD and related documents.

Sincerely,

A handwritten signature in black ink, appearing to read "Bud Elliot".
