RE: RFLMA Contact Record 2012-03

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (Department), in coordination with Region 8 of the Environmental Protection Agency (EPA), has reviewed Rocky Flats Legacy Management Agreement (RFLMA) Contact Record 2012-03. This contact record is consistent with consultation with the Department and EPA, which occurred on October 16, 2012. The minor modifications to RFLMA Attachments 1 and 2 proposed in this contact record accurately update and align RFLMA with several events that have occurred since its last modification. The Department therefore approves Contact Record 2012-03.

Please let me know if you have any questions regarding this approval.

Sincerely,

Carl Spreng
RFLMA Project Coordinator
