**RE: INTERIM PLAN FOR PREVENTION OF CONTAMINANT DISPERSION
(IPPCD), JULY, 1991**

Dear Mr. Lockhart,

The Colorado Department of Health, Hazardous Materials and Waste Management Division (the Division), has reviewed the above referenced document prepared by DOE and it's prime operating contractor EG&G. The Division, as lead regulatory agency, hereby grants approval to the IPPCD. We believe the IPPCD can satisfactorily govern intrusive field activities until the final PPCD is approved and look forward to field work commencing.

If you have any questions regarding these matters, please call Joe Schieffelin of my staff at 331-4421.

Sincerely,

Gary W. Baughman
Unit Leader, Hazardous Waste Facilities
Hazardous Materials and Waste Management Division
