Mr. Ron Hellbusch  
Director of Public Works/Utilities  
City of Westminster  
4800 West 92nd Avenue  
Westminster, CO 80030

Dear Ron:

Thank you for your letter of July 31, 1990 concerning communications between the Rocky Flats Plant and nearby municipalities. As I discussed with you during our meeting on July 24, 1990, we are looking for ways to better communicate with you and other interested officials in neighboring cities and counties.

I have discussed your suggestion for monthly meetings on environmental restoration with my management. We intend to meet with you and officials from other cities or counties to arrive at a format that best meets your informational needs. Ms. Susan Nachtrieb, of your staff, has arranged a meeting, for Thursday, August 30, 1:30 p.m., at the Westminster city building.

It is our intent to keep our neighboring cities and counties informed and involved in environmental restoration and other activities at Rocky Flats.

I look forward to meeting with you this Thursday. Please let me know if I can be of further assistance in the meantime.

Very truly yours,

Terry A. Smith, Manager  
Community Relations
