Gentlemen:

There will be a meeting of the Risk Assessment Technical Working Group at the Rocky Flats Plant on Tuesday, June 25, 1991, at 1:00 p.m. This meeting will be devoted exclusively to environmental evaluations and will be held at Building 116 in conference room no. 6.

Topics to be discussed include comments on criteria for the selection of chemicals of concern (COC) based on: 1) the COC handout discussed at our May 21, 1991, meeting, and 2) the revised Ecology SOPs along with criteria for selecting species of concern.

Should you have any questions, please contact Bruce Thatcher of my staff at 966-3532.

Sincerely,

David P. Simonson
David P. Simonson
Assistant Manager
for Environmental Management
