## WHAT'S THIS ABOUT UNDERGROUND STORAGE?

If you are interested in learning more about the underground storage facility in Carlsbad, NM (the Waste Isolation Pilot Plant), then please join us for a very special Rocky Flats Environmental Restoration Public Information Meeting.

In addition to regular presentations on Rocky Flats environmental restoration progress, representatives from the Waste Isolation Pilot Plant will be on hand to discuss the status of the underground storage facility and to answer any questions.

This information meeting is held quarterly and is sponsored by the U.S. Department of Energy, The U.S. Environmental Protection Agency and The Colorado Department of Health.

For more information, please call 303-966-4001.

**Quarterly Environmental Restoration  
Public Information Meeting  
Thursday, June 24, 1993  
7:00pm to 9:00pm  
Ramada Hotel  
8773 Yates Drive  
Westminster, Colorado**
