RE: EPA SITE Program -
Colloid Polishing Filter Method (CPFM) Technology Demonstration

Dear Mr. Schassburger,

This letter regards the upcoming CPFM demonstration scheduled to occur at the Rocky Flats Plant (RFP) in September. The parties to the IA agreed to pull this demonstration under the control of the Site-wide Treatability Studies Program authorized by the EAG. The Hazardous Materials and Waste Management Division has reviewed the Workplan for this technology and is granting approval for the CPFM demonstration emphasizing RFP's compliance with the site preparation (containment decontamination, and residuals management provisions detailed in the Workplan.

If you have any questions regarding these matters, please call Dave Norbury of my staff at 692-3415.

Sincerely,

Gary W. Baughman, Chief
Facilities Section
Hazardous Waste Control Program
