RE: Treatability Study Work Plan for the Biodegradation of Chlorinated Solvents at Rocky Flats Plant, 1994

Dear Mr Slaten,

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (the Division), has reviewed the above referenced document submitted August 1, 1994 by DOE and prime operating contractor, EG&G

The Division finds this work plan to be adequate and hereby approves the Treatability Study Work Plan for the Biodegradation of Chlorinated Solvents under the following condition The Division must be given formal written notification of the completion of each phase of experimental work, and on completion of FY-94 phase II experimental work, propose a schedule for delivery of the FY-94 biodegradation treatability study report

If you have any questions regarding these matters, please call Jeff Swanson of my staff at 692-3416

Sincerely,

Joe Schieffelin
