SUBJECT - RESPONSE TO ENVIRONMENTAL CONTROL BULLETIN EC87-11

This letter is a response to requested information in Environmental Control Bulletin EC87-11.

Because the Rocky Flats Plant is owned by the Department of Energy (DOE) and operated under contract by Rockwell, DOE made the formal notification to the Colorado Emergency Response Commission (CERC) that the plant is a covered facility and subject to the emergency planning requirements of the Emergency Planning and Community Right-To-Know Act.

Enclosed please find copies of letters sent by the DOE Area Office to the CERC relative to this notification.
