## Public Meeting on Modifications to the Rocky Flats Cleanup Agreement

The U S Department of Energy (DOE) will host a public meeting Tuesday, December 17, to brief the community on the proposed modifications to the Rocky Flats Cleanup Agreement (RFCA) that were released for 60 days public review and comment on November 12, 2002. Representatives from DOE, the U S Environmental Protection Agency and the Colorado Department of Public Health and Environment will be present to listen to comments from the community regarding the proposed modifications.

The RFCA is the regulatory agreement between the DOE, the EPA and the CDPHE governing the required cleanup by DOE of radioactive and other hazardous substances contamination at the Rocky Flats Environmental Technology Site.
