Dear Ms. Johnson and Mr. Akers:

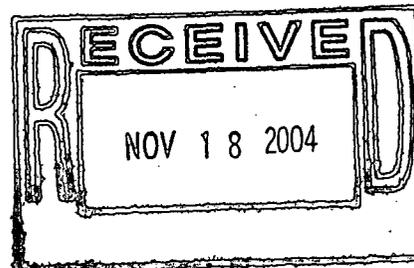

Enclosed is a copy of the Site's updated Annual Comprehensive Site Compliance Evaluation Report (Report), Appendix I, of the SWPPP. The Report covers the period of October 27, 2003 through October 26, 2004. This Report is required under the provisions of Part I.C.15c.4) of the Site's National Pollutant Discharge Elimination System (NPDES) Permit (Permit No. CO-0001333). The Report was prepared in accordance with the criteria specified in the Site's NPDES Permit.

The Report was prepared by the Department of Energy's co-permittees (Kaiser-Hill Company, LLC and Rocky Flats Closure Sites Services, LLC). The Report has been certified by the principal executive officers of the co-permittees. I have certified the Report as the designated signatory under the procedure described in the letter to William Yellowtail (number 00-DOE-03975) dated November 28, 2000. If you have any questions concerning this document, please contact John Stover at (303) 966-9735.

Sincerely,
